ANAHEIM HOTEL HAS A BRAND NEW LOOK **Carousel Inn and Suites** infuses Anaheim with dramatic renovations!

ANAHEIM, CA: The Carousel Inn and Suites has relaunched their property as one of the premier boutique hotels in the Anaheim Resort with their new stylish décor and many additional guest services.

Leading off their multi-million dollar renovations has been the addition of a Quiznos Restaurant. Quiznos has been serving the guests of the Carousel and Anaheim alike for a year since its grand opening in late 2006. Our award-winning Quiznos is now open daily for lunch and dinner serving delicious made-to-order sandwiches, fresh salads and a variety of soup bowls. Room service was launched in 2008. Enjoy a cool beverage as you watch the dazzling seasonal fireworks display at Quiznos Outdoor Patio!

The Lobby is now furnished with chic African safari pieces, tempered with a stylish contemporary look.

All guestrooms and suites have been renovated, incorporating either hardwood style flooring or deluxe carpeting. Guests have been raving about the comfort of the Carousel's new pillow top mattresses with bedding in designer fabrics.

Exciting new menu items have been added to the Get Up & Go Continental Breakfast Bar including milk & cereal and Diedrich gourmet coffee! Starting the first of the year, hot breakfast sandwiches will also be available to purchase as an alternative during continental breakfast hours. Guests have always enjoyed dining at the Parkview Room with breathtaking views of Disney's theme parks.

The Sky Gym adjacent to the Rooftop Pool was completed in the summer of 2007. With spectacular views of California Adventure and a flat screen television, this is an ideal place to regenerate after a full day at the theme parks.

Indulge in luxurious amenities! In January 2008, the Carousel rolled out their new Club Rooms. These deluxe Concierge Rooms are located in an exclusive wing designated to Club Guests. Unwind and rejuvenate in full granite bathrooms featuring quality amenities such as Kohler hand showers, bathrobes and slippers.

The exterior of the hotel has also been redesigned. Lush landscaping including king palms were planted along with trellises, vines and flowers. They even went as far as to install individual pavers in their parking lot, creating whimsical starburst and diamond designs.

More exciting improvements are on the way!

EDITOR'S NOTE: Offering superior hospitality, Carousel Inn and Suites has unparalleled location, located directly across the street from the Disneyland Resort.
